

Omeya Private School is situated on the Omeya Estate. Our village and nature setting provides a perfect and safe environment for learners. Learners, from Playgroup to Grade 7 drive their bikes or walk to school. Nanny's bring and fetch children by foot.

The Omeya Private School is the perfect solution, with individualised attention given to learners, as we are a smaller, but vibrant and unique school.

We cater for ages 3 years and up right up to Grade 7.

We use a Biblically-based curriculum and mastery-based system of Accelerated Christian Education and have a fantastic Preschool program called Kindergarten with ACE and Christi with role-play, golf, Olympic Kids, BAK 'n BROU (baking), gardening, music, art and much more. We have wonderful, dedicated teachers who prepare the children exceptionally well for their Grade 1 year.

Grade 1 is the miracle year of the A.C.E. educational program as grade 1 learners experience the joy of learning to read and write. Grade 1 is the year of ABC's with Ace and Christi learning-to-read program (Ace and Christi are cartoon characters that grow up with the children). This is a brilliant phonetic program which teaches 35 sounds. This is reinforced with animal stories, Bible stories and songs. This includes blending of sounds and then many sight words and double sounds are taught as they move along. The writing skills are taught together with the learning of the alphabet sounds. The children learn how to write all 26 alphabet letters in upper and lower case together with numbers. This is done thoroughly with repeat and review every week on every new sound learnt. When all the learners have mastered that specific letter and sound, the teacher then moves onto new sounds. The teachers do explain all new words learnt in Afrikaans and English so that the children understand completely.

We provide an aftercare service for our learners from 12h00 to 18h00, which includes a balanced lunch and afternoon snack. We have Tuckshop "Snoepie" every second Friday.

Extra-mural activities include Drama, Archery, Netball skills and choir practice. (see details attached).
